

## Where does the money come from?

*All our funds come from the community, from people like you.*

- *In memoriam donations*
- *Donations from businesses and individuals*
- *Bequests*
- *Benefit events such as golf and bowling tournaments, dinners, theatre, etc.*

*Find out where and when our next event will take place, and come and meet us there.*

*Rest assured that your money will go directly to the people who are really in need. Receipts for income tax purposes can be issued.*

*The Foundation is interested in providing for the future, and accepts donations from all sources. Most of the money goes to help the individual, with a small portion going towards research.*

*Help for those living with cancer*

*"One day, while out walking, it occurred to me that, unfortunately, there were people who were in greater need than I was."*

*- Annette Cimon LeBel, founder*

### Our goal is to help...

*The Fondation Annette Cimon LeBel, a non-profit organization founded in 1995, helps those living with cancer. It wishes to make a positive gesture, and provide a medium for harmony as well as support for those living through this difficult time.*

### A positive gesture...

*These days, more and more people face this torment feeling alone and in need. To help those coping with this illness, the Foundation offers information and reference services, as well as moral and financial support to the sufferers and their families*

*Every year, the Foundation helps people living in the Lower St. Lawrence, Gaspésie, Îles-de-la-Madeleine and North Shore regions, and in northern New Brunswick.*

*Financial contributions help pay for accommodation, meals and transportation. The person suffering with cancer and whoever accompanies them can take advantage of this help when travelling for treatments and medical appointments*

**Yes!** I wish to support the **FONDATION ANNETTE CIMON LABEL** to help those suffering from cancer
